

How our system works...

We want to help you run your business better. You may not need every service we offer - and that's OK! We're not trying to sell you services you don't need or won't ever use. That's why our system is in three parts: Assessment, Implementation and THEN Client Services. We do a full Assessment of your business first to discover what is / isn't working in your accounting processes before we suggest changes and how to make them not only work, but LAST. Phase two is Implementation where we show you not only WHAT we can do for you, but HOW. The third phase is when we can expand your current Accounting Team's capabilities with our services. Let walk through all of the steps together:

Now, let's break that down even further:
